CORONAVIRUS DISEASE (COVID-19) IDENTIFIED IN MCPHERSON COUNTY

McPherson County continues to hold at 13 total cases of coronavirus disease (COVID-19) at the time of this release.

McPherson County Health Department is happy to announce that 7 confirmed positive cases have recovered from COVID-19 and are doing well at home. They have met the recovery guidelines set forth by the Kansas Department of Health and Environment.

Please remember McPherson County has evidence of community spread and the Stay-At-Home Order is still in effect.

Please depend on health authorities to provide the most accurate information for McPherson County. If you are experiencing a fever, shortness of breath, or a cough, please call your health care provider. If you do not have a primary health care provider, please call your local hospital.

McPherson County residents are encouraged to help the community and our health care system flatten the curve and slow the spread of coronavirus. They can do this by:

- Following the Stay-At-Home Order.
- Covering all coughs and sneezes.
- Washing your hands for 20 seconds with soap and water.
